What happens in the water?

The Baptism will take place during the 7 pm service, in the sanctuary.

The Pastor will briefly explain the meaning of baptism to the audience. Following, the Pastor will introduce you as you step into the baptismal water. The Pastor will assist you in being submerged under the water, saying, “I baptize you in the name of the Father, the Son, and the Holy Spirit. Buried with Christ in baptism, raised to walk in newness of life.”
